WE'LL SUE FOR OUR BONUSES

BANKS could face legal action by disgruntled workers if they are denied bonuses. City lawyer **Ronnie Fox** revealed he is representing clients at three different banks who maintain they are entitled to payouts despite the recent conditions.

He warned a large number of bankers could take action if the Government ban bonuses. Fox said: "The Government over-simplifies things and says, 'All bankers are bad, none of them is entitled to bonuses'. They're doing it to focus attention away from the Government's role."
